Case Management/Electronic Case Files (CM/ECF) - the new automated case management and electronic docketing is being implemented in the U.S. District Court for the Northern District of Alabama now. **CM/ECF is coming in November 2004. Implementation is in process. The court expects attorneys to electronically file documents by January 2005.** Effective November 1, 2004 the court requests that counsel attach to all paper filings a disc containing a PDF image of each document. **CM/ECF** will provide a new, easy-to-use electronic case filing system that will allow filing and viewing of court documents over the Internet. Pre-registration is **not** necessary.
